Organize Your Home 10 Minutes at a Time Deck of Cards Benefits

- **This deck of cards** will help you declutter, organize, downsize & simplify your stuff.
- **These colorful easy-to-use cards** are for daily use to clean, have less clutter, for downsizing, and organizing.
- **Each one of the 50 cards** outlines 4 to 6 simple steps to organize, clean, or clear in one room and accomplish one task in a 10-minute time span.
- **Focus on one task** at a time. Perfect for people who are frustrated or overwhelmed because they don't know where to start.
- **Allows the whole family** to be involved in the care of the home. Everyone can pick a card and do the task.
- **Kids can pick a card and play too** with the activities that are indicated as Child Friendly.
- **Teaches children** to be responsible for the maintenance of the organization within the home.
- **Tasks are broken down** and explained step-by-step to help restore order, tidy up, and motivate you.

Working with these positive flashcards regularly is a technique that can reduce overwhelm by helping in organizing your house and breaking down the large task of cleaning into ten-minute, simple, easy tasks.
